

Real Food CT Gleanings and Surplus Management

Reduce Food Waste and Feed Your Community

Offering a comprehensive gleaning service to help CT farmers reduce on-farm waste and get healthy food to neighbors in need. Our team donated over 50K lbs of produce in 2024 and ready to do more this season with your involvement. Here's what we offer:

OUR SERVICES:

- ✓ **Trained and experienced Teams to Harvest on site**
(while respecting your farm)
- ✓ **Local distribution to food pantries and hunger relief organizations**
- ✓ **Donation Tracking and tax receipts**
- ✓ **Flexible scheduling**

HOW IT WORKS:

- 1. Contact Us + Assessment:** Reach out to schedule a gleaning or surplus pick-up and we'll coordinate what works best for your farm.
- 2. Harvesting, Packing, and Distribution:**
- 3. Follow Up Reporting**
(how much food, where it went, year end tax receipts)

We have testimonials from current CT farmers if you would like to hear more about what we do.

Join us in our mission to reduce food waste, support local agriculture, and strengthen our communities.
